

RESOLUTION

1988-4

WHEREAS, this Board of Supervisors intends to purchase certain heavy construction equipment which has been bid by vendors to perform work at the Supervisors direction, and the Supervisor's have considered carefully all heavy construction equipment bid;

RESOLVED, that the Board of Supervisors intends to purchase One - New Caterpillar 416 Backhoe Loader S/N 5PC04900 for the reason that this purchase is consistent with the public interest, and any other purchase would, in our judgment, be at a cost to the Township which would not be reasonable and would be inconsistent with the public interest.
