

RESOLUTION NO. 1995-12

A Resolution to establish a Monroe Township Drug and Alcohol Policy for and pertaining to employees of the Township holding commercial driver's licenses, in accordance with the Omnibus Transportation Employee Testing Act of 1991.

The following Resolution is hereby adopted by the Board of Supervisors of Monroe Township, Snyder County Pennsylvania.

WHEREAS, the Monroe Township Board of Supervisors has previously adopted policies with regard to consumption, use or possession of alcohol and prohibited drug or chemical substances by employees of the Township upon or in Township property and in the course of employment; and

WHEREAS, the Omnibus Transportation Employee Testing Act of 1991 requires alcohol and drug testing of safety-sensitive employees in the aviation, motor carrier, railroad and mass transit industries and empowered the U.S. Department of Transportation to promulgate rules mandating and regulation anti-drug and alcohol misuse prevention programs; and

WHEREAS, the U.S. Department of Transportation has issued such rules and regulations which apply to safety-sensitive employees in commercial transportation, including the commercial motor vehicle industry and drivers holding commercial driver's licenses; and

WHEREAS, the said regulations of the Department of Transportation require implementation by employers such as the Township of Monroe effective January 1, 1996; and

WHEREAS, rules and regulations of the U.S. Department of Transportation are as set forth in 49 CFR Section 40.1, et seq., regulations governing testing for drugs and alcohol being as presently set forth in 49 CFR Section 40.51, et seq.; and

WHEREAS, the Township of Monroe as an employer of individuals holding commercial driver's licenses is obligated to implement policies to effectuate the said regulations of the U.S. Department of Transportation and provisions of the Omnibus Transportation Employees Testing Act of 1991.

ENACTED AND ORDAINED, this 19th day of December, 1995.
